

Spot Loves His Daddy

Eric Hill

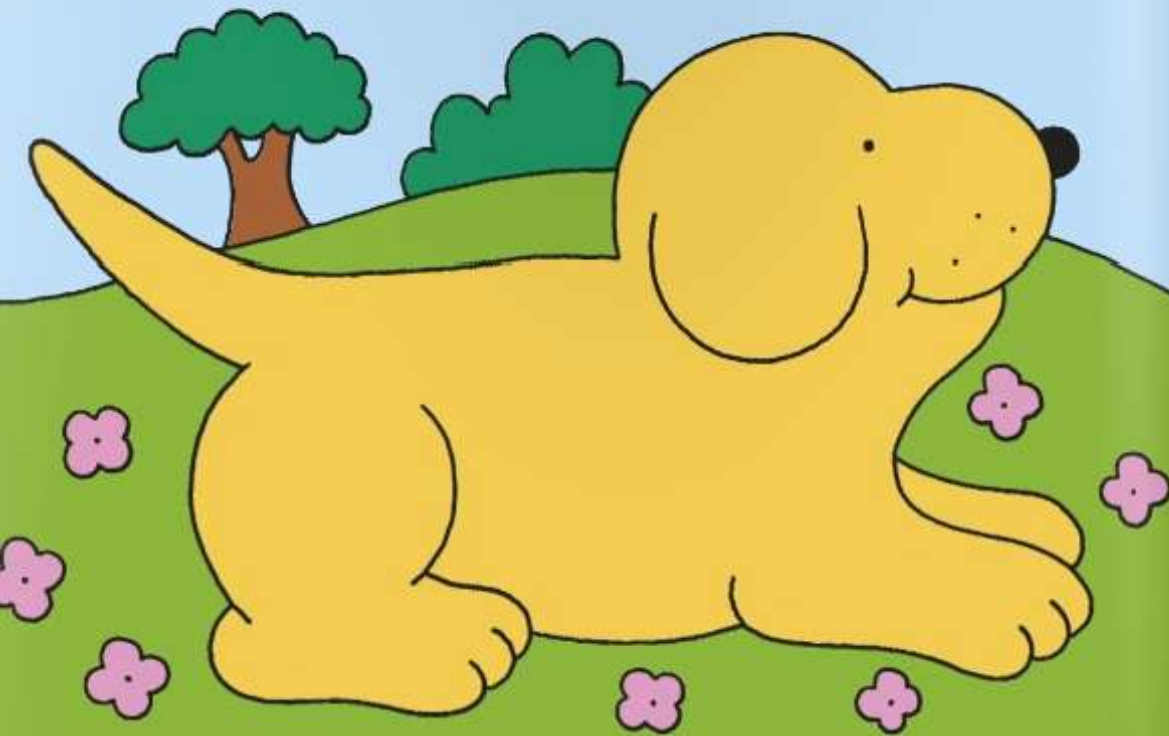

**Spot is happy. He and
his daddy are spending
the whole day together.**

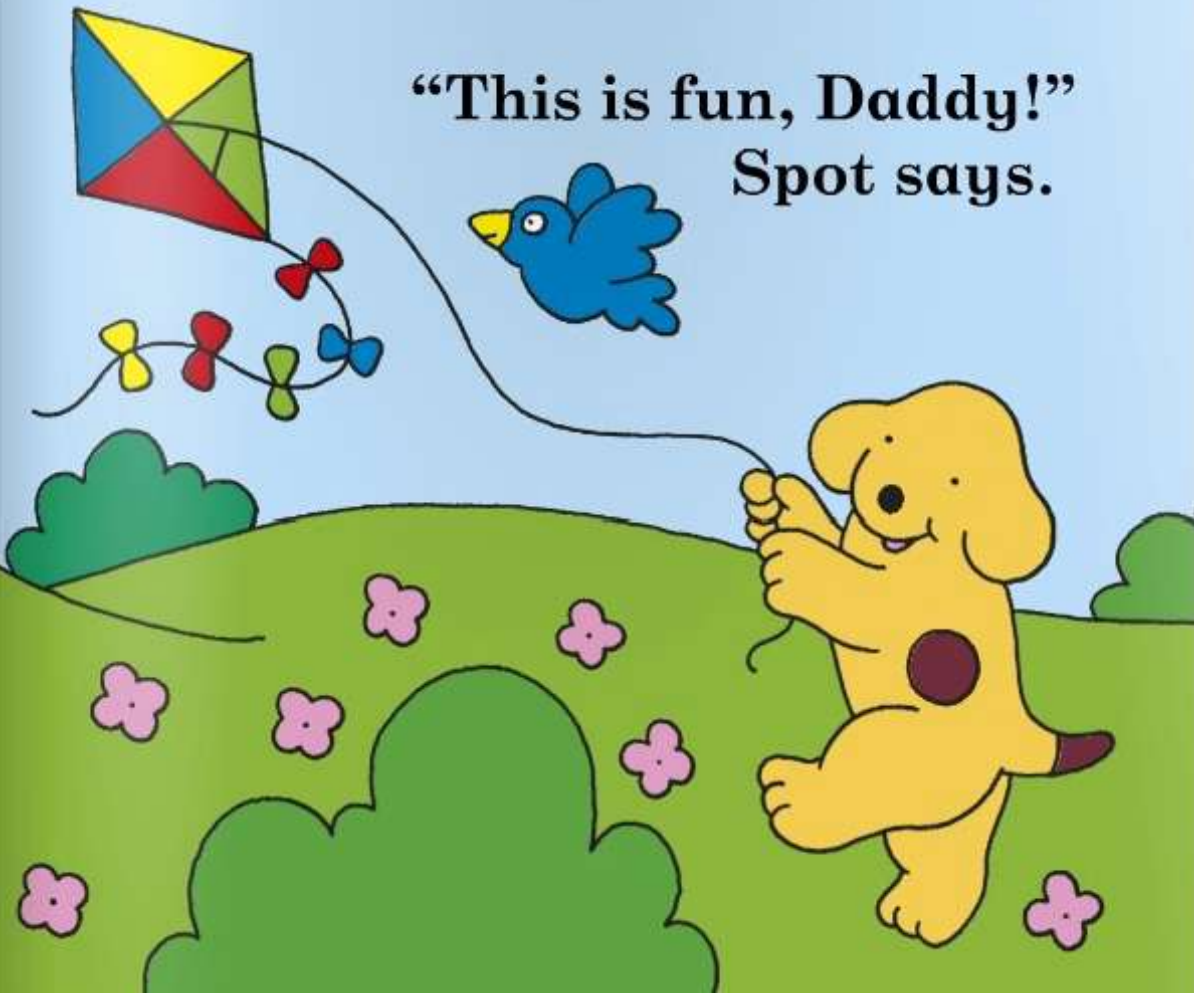

They play soccer at the park.
Someone else wants to play!

Spot flies his kite.

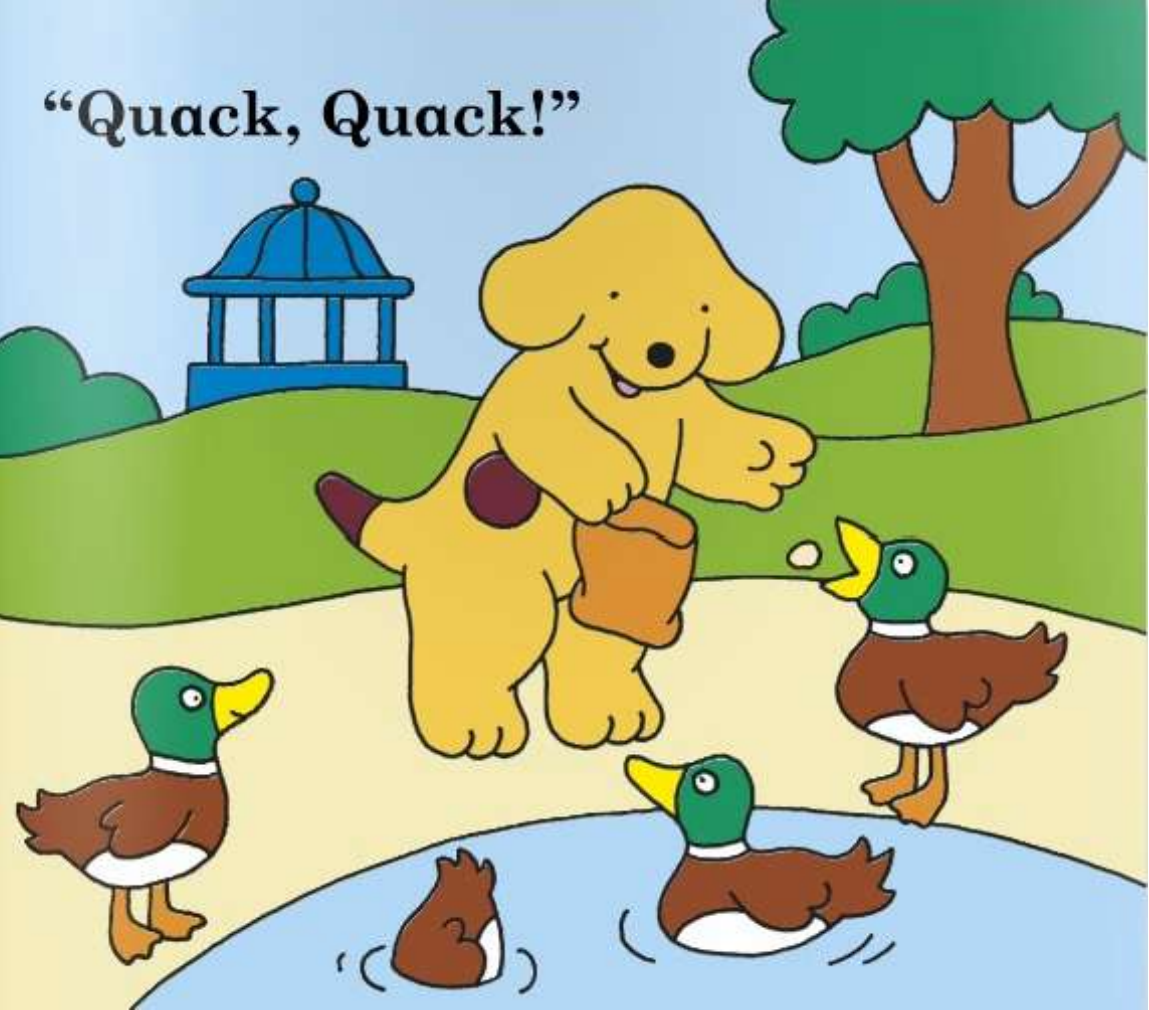

"This is fun, Daddy!"
Spot says.

It's feeding time for the ducks.

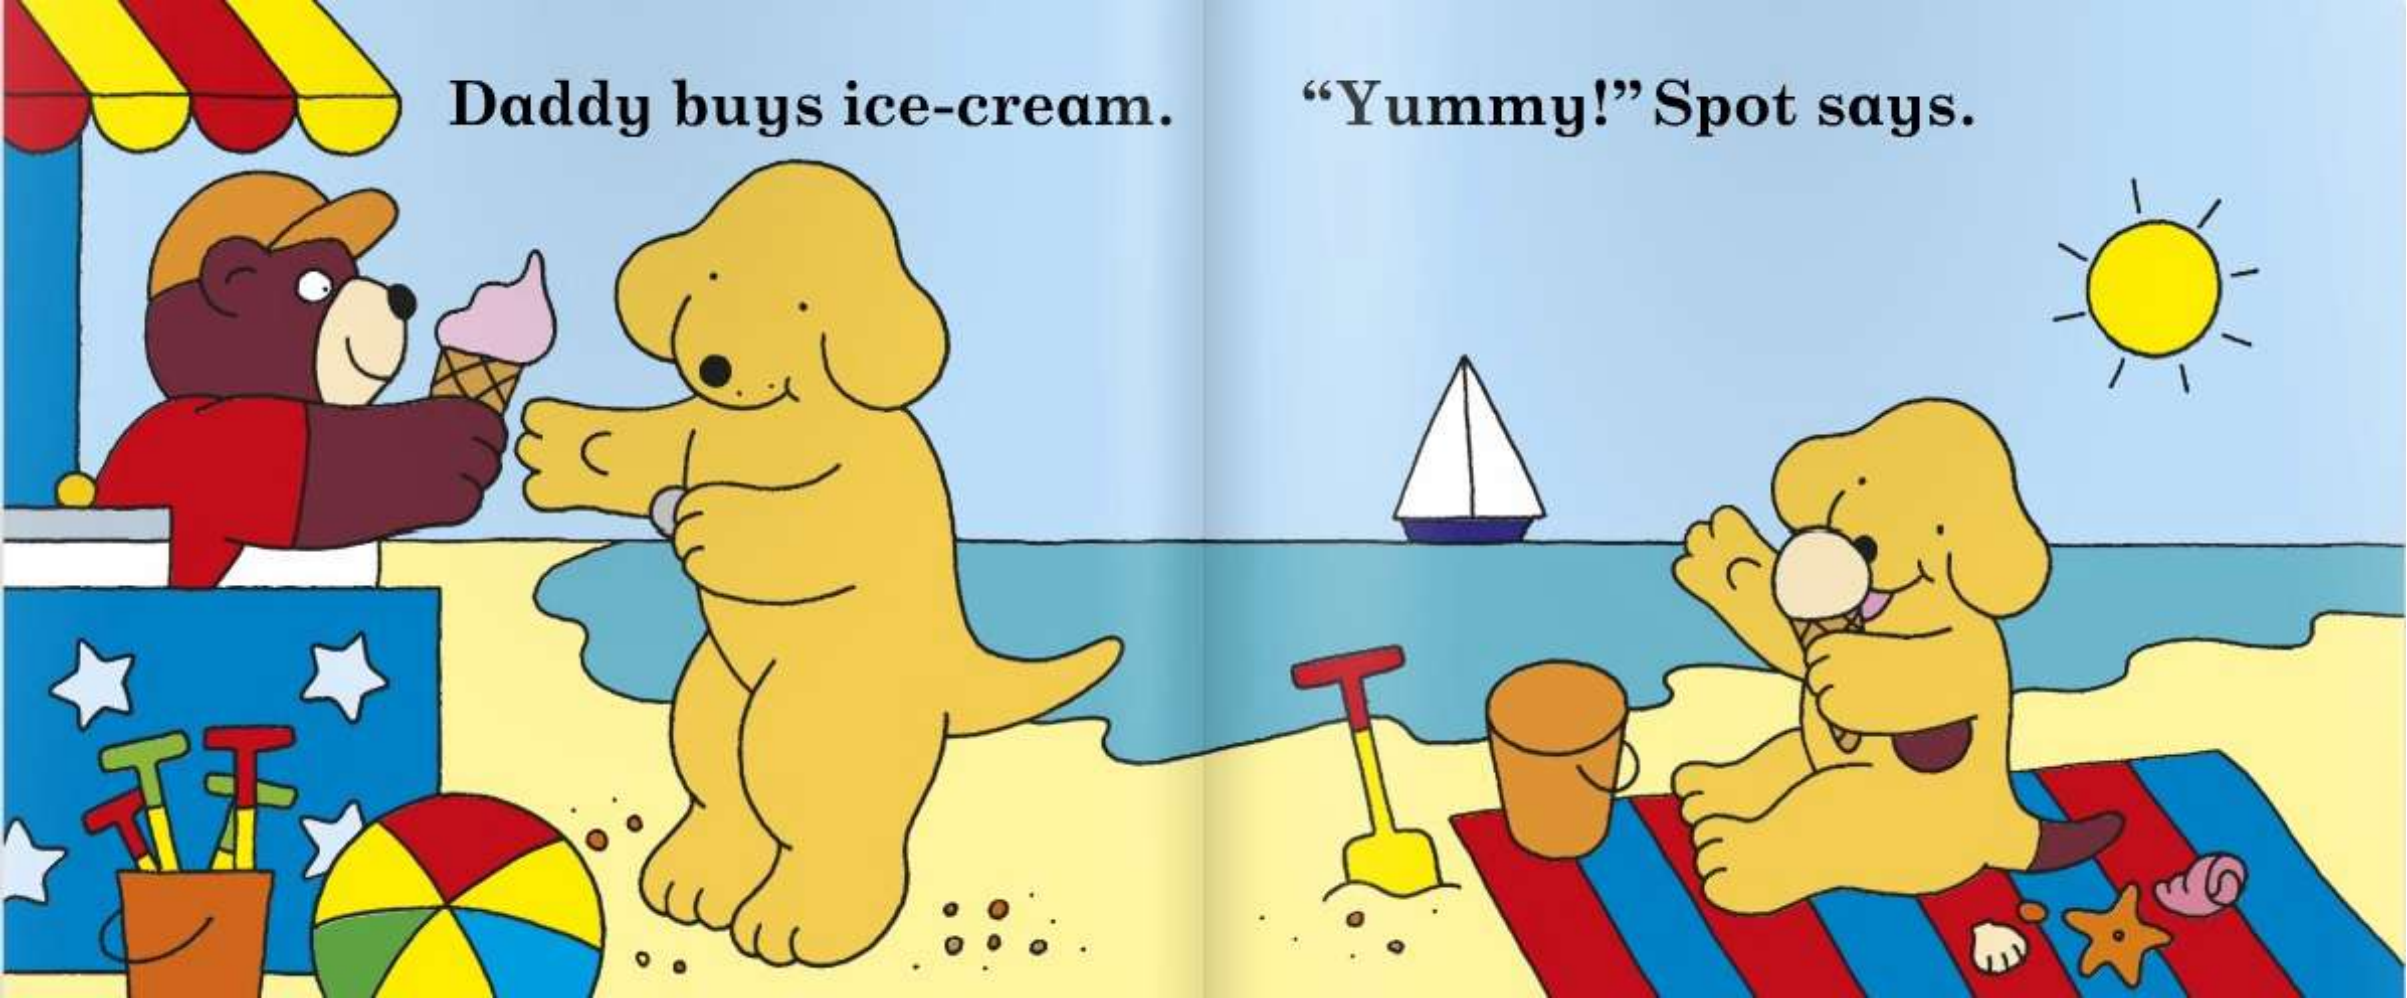

"Quack, Quack!"

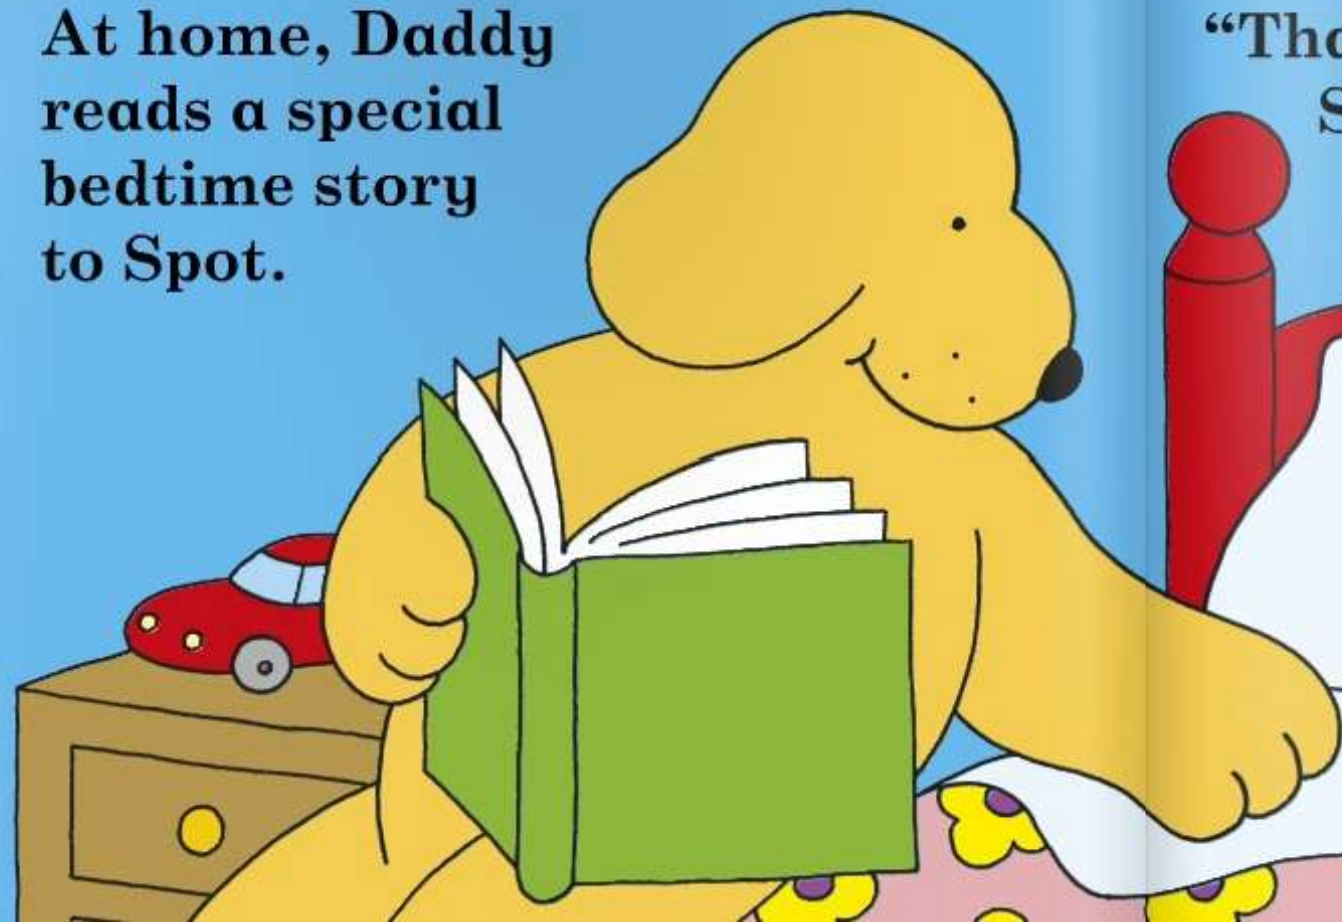

Daddy buys ice-cream.

“Yummy!” Spot says.

At home, Daddy
reads a special
bedtime story
to Spot.

“Thanks, Daddy. I love you,”
Spot says.
“I love you, too,” Daddy says.
